

# Summer 2017 Classes

CSULB Chemistry & Biochemistry Department

---

*Catch up or get a jump on your road to graduation*

## **Session I - May 30 – July 7 (S1S)**

Registration: March 6 - May 29, 2017

---

Chem 100 – Chemistry & Today's World  
Chem 111A – General Chemistry  
Chem 220A – Organic Chemistry I  
Chem 223A – Organic Chem. Laboratory I  
Chem 227 – Fundamentals of Organic Chem.  
Chem 448 – Fundamentals of Biological Chem.

## **Session III - July 10 – August 18 (S3S)**

Registration: March 6 - July 6, 2017

---

Chem 111B – General Chemistry  
Chem 220B – Organic Chemistry II  
Chem 223B – Organic Chem. Laboratory II  
Chem 251 – Quantitative Analysis

### **Schedule of Classes – Summer 2017 (Chemistry & Biochemistry)**
